Dear Mr. and Mrs. Eisenhower,

We are pleased to inform you that Ann Eisenhower is the topnotch student in the Advance Math Program. The challenge is tough but she made it through with an outstanding performance. The chart below manifests her excellence compared to the all ready above standard class average.

This accomplishment will be included in her portfolio, which will be presented to you on Parent/Teacher Conference session. As routinely implemented, the student's academic standing and personal well-being will be discussed at this time.

We are looking forward to meeting you soon. Once again, congratulations and keep up the superior work.

Sincerely,

Irma Sheryl Crespo
